- Lisa is putting up the yard signs at all feeder schools over the Labor Day weekend
- We have an article going in the Salem Reporter and Statesman Journal about Music Day
- We will have coffee and donuts at 9am for the participants
- Start knocking on doors at 10am

Financial Topics:

- We took an \$8000 loss on the trip, some students still owe money
- Pioneer Bank is not sending statement to Alison as requested
- CD balance is \$13,000 - it's not a rainy day fund, it's part of our operating fund; Ross is going to look at other options to get a higher rate
- There is a \$14,000 lesson fund that we need to start using
- End of year financial update: net loss of \$6900 for SSMB
- We need to look at reducing expenses when we can. For example, the copier - can we go with a less expensive option?
- Ross would like to switch from debit to credit cards for those on the board that have them
- Ross is looking into changing banks - too many little mistakes with Pioneer Trust
